14 Bill Wright

Bill learned to square dance in Plattsburgh, N.Y. in 1963 and soon became interested in calling. With the help and encouragement of the club caller, Bill was able to take over when his friend and mentor was transferred out of the area. In 1966 he returned to his hometown, San Antonio, retired from the Air Force in 1973, and continues to make San Antonio his home base to this day. He is a member of CALLERLAB, and the Texas State Callers' Association. Bill is always a blast to dance to, so please join us for an evening of fun and do-sa-dos!

Jerry is a Kansas native and has been calling square dances for more than 30 years. He is the club caller for the Killeen Kickers and his students become *fun* dancers and are a welcome addition to the greater square dance community (they often accompany him when he appears as a guest caller so we'll see if they will come to San Marcos!). Jerry is a caller who loves to dance and have fun! Let's welcome Jerry with our best hoots and hollers!

Wayne began his calling career in 1982 and in 1986 he moved to Texas. He has been a member of Caller Lab for the past 20 years. When he is not busy calling in the big state of Texas, he and his wife, Luzia, are raising a family in Canyon Lake and operate a home improvement business out of their home.

22 John Thompson

John is a native Texan, and started dancing in 1959. In October, 1962, at the Baker Hotel in Dallas, Texas, at the tender age of 15 years, someone bet him \$5 that he couldn't get on stage and sing a call. Well, he did get on stage, read the idiot sheet, sang the call, took the money, and the rest is history.... Let's welcome John to a fun-filled night of enthusiastic square dancing. We hoot and he hollers!

We dance every Thursday from 7:30 to 9:30 p.m. (5th Thursdays are dark)
