May

6 Chet Miles

Club Caller

13 Cris Crisler

Cris makes his second appearance at our club this year, and if you enjoyed him in March, you're bound to enjoy him again! He can throw his calls out fast and furious and you might feel like you're wheelin' and dealin' by the end of the night, but you will have had a fun time doing it!! So, mark this on your calendar and we'll see you there..., in a square.

Club Caller

27 Bill Wright

This will be Bill's second appearance at our club this year. This is a man who can't and won't stop pushing the envelope in square dancing. He is innovative, creative, and a blast to dance to, so please join us for an evening of fun and do-sa-dos!

Club Caller

10 Jimmy Ellis

Wheel-N-Deal's has practically become Jimmy's second home, filling in for Chet when life gets too complicated with his life, wife and kids. Jimmy has been the force behind the Lockhart Casuals, starting with a monthly community dance back in January 2009, and evolving into an even-Friday-of-the-month dance where we can all go and hoot and holler. He and Delores are avid contra dancers, and are advocates to encourage contra dancers to cross over to square dancing. Jimmy has developed a completely different style of calling and his choice of music is unique, if not a tad more eclectic. We are fortunate to have Jimmy and his partner in dance, Delores, for a great night of square dancing and fun!

Club Caller

24 Jimmy Ellis

Let's celebrate the Summer Solstice with a beach party! Everyone put on your coolest shorts and tops and bring your favorite beach blanket, and maybe one of those drinks with little umbrellas in them, and, of course, your dancing shoes, and Jimmy will call his hot summer favorites for us! Doesn't that sound like a lot of fun?!!

We dance every Thursday from 7:30 to 9:30 p.m. (5th Thursdays are dark)

Club Caller

8 Les Hughes

Les started square dancing after seeing an exhibition at a church function. He later got into calling when he decided..., "I can do that too!" Yep! 30 years later, Les finds himself as the energetic club caller for the Belles-N-Beaus Club in San Antonio. Meanwhile, Les resides in Bulverde with his wife Karen, whom he met when calling for the 1987 Texas State Singles Convention—in Austin, Texas! Please join us in welcoming Les, and let's show him what energetic dancers we can be!

15 Chet Miles

Club Caller

22 Wayne Weston

This will be Wayne's second appearance to our club this year. As you may remember from our New Year's Eve Party, and again in February, Wayne can keep you on your feet and to the beat. He loves to mix it up and enjoys watching the reactions as he gives you a mainstream move with a twist..., something that you've never done before (and may never do again, for that matter), but it sure was fun when you did it! So, mark your calendar to see Wayne Weston, and see you in a square!

August

Club Caller

12 Terry Wheeler

This is Terry's second appearance to our club this year, and you are in for a real treat. Terry invented "outside the box" thinking in square dance terms. She can weave dance moves you would never think possible; create wheels off hubs and interweave the spokes like an artisan interlacing the threads of woven cloth. If you have never danced to Terry, then you must experience her at least once; and if you have danced to Terry before, then I'm sure we'll see you on the floor with a smile on your face and your partner by your side!

19 Chet Miles

Club Caller

26 John Thompson

This is John's second appearance to our club this year. Let's welcome John again to a fun-filled night of enthusiastic square dancing. We will continue to hoot while he hollers!

We dance every Thursday from 7:30 to 9:30 p.m. (5th Thursdays are dark)
